Dated 8th June 1889.

Came into force in July 1894.

In para 1 of the Pro: referred to it is stated that the lands set apart for the purposes of the Todda revenue should not be given out for cultivation without the sanction of Govt. But in para 8 of rule XX it is provided that the special sanction of the Dy Com: is necessary for giving out such lands for cultivation.

If the rule supersede the Pro: the Dy Comrs may be required to pub. list at once the lists of lands reserved under rule XI & submit copies of such lists for record in this Office, the submission of the quarterly statements in this connection being discontinued.

If the Pro: be not superseded the ~~Dy Comrs~~ may be required to submit to this Office the lists for the remaining Talukes, the submission of the quarterly statements being kept up till the lists of reserved lands have been completed & received from all the Talukes.

The Corr: ending with Epic Comrs No. 5085/308 of 22.3.93 may be recorded.

Submitted for orders 22/6/93.

2. In estimating the value or revenue of the date trees, a uniform rate of 4 annas for mature and 1 or 2 annas for immature or young trees as the case may be, has been taken as the basis for

for purposes of Calculation. The sums shown as "Estimated Toddy Revenue" And which are apparently more than the Survey assessment are owing to the number of trees which are various as standing on the several numbers or keen Competition among the bidders
